The **Liberal Studies Major** is designed for the student who wishes to expand his/her knowledge and experience in more than one area while studying at Bethel College. In the true spirit of a liberal arts college, the Liberal Studies student is educated broadly and expansively, pursuing one primary and two secondary concentrations. A wide variety of concentration combinations are possible, and many of our Liberal Studies majors pursue graduate studies and/or employment that enable them to use one or more of their concentrations.

Department of Visual Arts

Mission Statement

The mission of the art program is to apply a course of study in the visual arts that supports, integrates, and contributes to the mission of Bethel College. The program affirms and nurtures the creative spirit of each individual while providing the knowledge and the structural vehicles fundamental to promoting an appreciation and understanding of art as a discipline and of its contributions to the culture and history of humanity. Each person is encouraged to develop a unique vision and to come to a greater understanding and appreciation of the diverse responses and contributions of others. Students will explore how and why they work creatively as well as develop appreciation for art in a historical context. Students further learn to foster their relationship with God through the process of creation.

Goals of the Department of Visual Arts

Students shall graduate possessing:

- A comprehension, understanding, and appreciation for the historical trajectory and relevance of the visual arts in everyday life.
- A broad knowledge and experience with each of the artistic mediums taught by the many skilled faculty of the Department of Visual Arts.
- A finely honed and concentrated skill in one specific media of the students' choice.
- An understanding that within the process of creation, a closer proximity to divinity exists. Fostering this relationship promotes lifelong learning.
- The skills necessary to pursue and succeed at artistic careers, and further participate in the visual arts and civic art community.
- Awareness of a dynamic and accumulative body of knowledge regarding the visual arts.
- The ability to make critical, analytical, and spiritual decisions within their own work, as well as to communicate these evaluations effectively.

- * 2nd semester sophomore year: portfolio review
- * End of 1st semester senior year: thesis review.
- * All visual arts majors must take six credits of senior thesis.
- * Check specific majors for internship requirements.
