To Contact a Deaf Faculty Member by Telephone

Option 1: Call the staff interpreter at 257-2596 and ask to speak with the Deaf faculty member. The staff interpreter will interpret the call.

Option 2: Call Sorenson Video Relay Service at 1-866-327-8877. An interpreter will answer the call with “Thank you for calling Sorenson Video Relay Service. May I have the number you are calling?” Tell them the Deaf faculty member’s phone number and the interpreter will place the call.

When the Deaf person answers, identify yourself by name and then continue the conversation as normal. There might be a slight delay between responses because of the interpreting process. The Sorenson interpreter is bound to ethical standards such as confidentiality, faithfulness to an accurate message, and professional behavior.

ASL Faculty Members:

Jennifer Kutcka – 257-3387

Gina Harker – 866-327-2459

STUDENT HANDBOOK

This handbook offers every Bethel student an “owner’s manual” for getting the most out of college. However, becoming an educated person involves more than an accumulation of knowledge; true learning demands a person’s full engagement. So, as a student, don’t sit idly by and “receive an education” — it will be very limited. Rather, actively *pursue* truth; *seek* understanding; *search* for wisdom.

As you fill the pages of this planner with various dates, events and commitments, let me encourage you to consider some additional plans for your time at Bethel:

Dr. Shawn Holtgren
Vice President for
Student Development

- **Plan to *enlarge your vision of the world.*** Study abroad for a semester; participate in a Task Force excursion.
- **Plan to *engage with your Creator.*** Attend chapel with an open mind; seek out a spiritual mentor; join a Bible study or prayer group on campus.
- **Plan to *experience new people, cultures and ways of life.*** Sit with someone you don’t know in the Dining Commons; spend time with international students; attend diverse campus events.
- **Plan to *enlist in service to others.*** Get involved in a ministry at a local church; visit the Service Learning Office to connect with an organization near the campus; clean up after your roommate (just once!)

College *is* what you make of it. So dive in and make the most of it. “And whatever you do, whether in word or deed, do it all in the name of the Lord Jesus, giving thanks to God the Father through him.” Colossians 3:17

CAMPUS OFFICES and SERVICES

Bethel College Bookstore

The Bethel College Bookstore is owned and operated by the college. Textbooks, supplies, Bethel memorabilia, clothing and other items are available. Students desiring to make suggestions should speak to the bookstore manager.

Campus Safety

The Bethel College campus safety department, located south of the Middleton Hall of Science by the perimeter fence, is a 24/7 department that employs nonsworn safety officers who patrol campus and respond to emergencies. Additional staff members work in other support positions in the department. Bethel College safety officers meet specified training requirements and maintain specified certifications.

Bethel College campus safety staff frequently work with city, county, state and federal law enforcement authorities. Agencies cooperate whenever possible on investigations and crime prevention programs to provide the best possible security and police services to our campus and local community.

Bethel College campus safety staff offer other services for our campus community (**i.e. safe walks, jump starts, lockouts, engraving of personal belongings, etc.**). When you don't know who to call, feel free to contact us for assistance at (574) 257-3500 or (574) 292-8100.

Crime Reporting

To report a crime, a student should contact campus safety either in person, by phone or on the campus safety webpage where crimes may be reported anonymously. Crimes may also be reported to student development staff, resident directors and coaches. Students who experience or witness a crime have a responsibility to report the crime so that we can keep the campus as safe as possible.

Motor Vehicle Registration

All motor vehicles parked on campus by students must be registered online each academic year. A properly registered vehicle will receive a decal. **The decal must be permanently affixed to the rear window — lower left corner, driver's side exterior.**

You will need to register your vehicle through the following link: <https://cx.bethelcollege.edu/auth/staff/safety/BCvehicle.cgi>. After you have registered your vehicle online and have received your confirmation email that it has been processed, you will need to bring the following to Campus Safety to obtain your parking decal: a **valid driver's license, vehicle registration and proof of insurance.**

Freshman students living in college housing are not permitted to have a vehicle on campus. Waivers of the Freshman Vehicle Restriction may be granted when valid need is demonstrated, such as:

- a distance of 200 miles (4 hours) or more from the student's home to the campus
- transportation needed for a current or pending job
- transportation needed to attend a class (not offered at Bethel) at another institution
- medical / personal reasons

We encourage you to request a Waiver from the student development office if you believe that your circumstances warrant one.

Permission to keep a motorcycle/moped on campus must be obtained from the student development office. Under no circumstances will motorcycles/mopeds be allowed in the residence halls or any other building. Motorcycles/mopeds must be registered online. **The decal must be affixed to the front left fork.**

Motorcycle/moped drivers are to abide by the same parking/driving regulations as other motor vehicles.

Note: Vehicles not properly registered or properly displaying a decal will receive a citation and be subject to a \$25 fine when parked on campus.

A student's vehicle privileges may be revoked or limited at the discretion of the college because of excessive and/or serious vehicle violations.

Driving Regulations on Campus

The maximum speed limit on campus is 10 mph and slower when conditions warrant. Citations will be issued for moving violations for disregarding a stop sign, speeding, and reckless driving that endangers pedestrians or other drivers. Under no circumstances are students to drive on the grass, sidewalks or other unauthorized places. Such violations will be forwarded to student development.

Towing of sleds, bikes, skateboards, etc. on campus is not allowed.

Parking Regulations

Specific parking areas have been designated for resident and commuter students.

Resident student parking only — All unmarked spaces in the parking areas that surround the residence halls. These areas are for resident students only 24/7 with no exceptions. Alternative parking includes:

- Visitor spaces between 5 pm and 7 am, Monday – Friday, all day Saturday and Sunday with the vehicle removed by 7 am Monday.

- Staff spaces between 5pm and 7 am, Monday – Friday, all day Saturday and Sunday with the vehicle removed by 7 am Monday. Exception — Staff spaces at Middleton, Bowen and Eastwood are reserved 24/7 for staff only.
- Unmarked spaces in the Everest-Rohrer, Wiekamp and athletic lots are for general parking 24/7.

Commuter student parking only — All staff and visitor spaces between 5 pm and 11 pm, Monday – Friday. Spaces reserved by signage are not available to students. Unmarked spaces in the Everest-Rohrer, Wiekamp and athletic lots are for general parking 24/7.

Parking is prohibited on grass and on sidewalks, in loading zones, fire lanes and the alley north of the Art Center.

Handicap spaces are reserved 24/7 for those displaying the designated hang-tag or license plate.

Violations: **first offense — warning; second offense — \$10 fine; third offense — \$25 fine; fourth offense — \$25 fine, plus car may be towed away or a boot placed on the car at the owner’s expense.**

Continuing violations of the regulations may receive multiple citations/fines; however, only one citation will be issued for a continuing violation in any 24-hour period.

The fine for any violation will be reduced by 50 percent if paid within seven calendar days of the date the ticket was issued. Failure to pay a fine within three weeks of the ticketing will result in the fine being doubled and applied to the student’s bill in the business office.

If a student feels that he/she has received a ticket *unjustly*, appeal forms are available in the student development office and must be submitted within one week of the date on the citation.

The college accepts no responsibility for damage, destruction or theft of motor vehicles. Students are urged to make individual insurance arrangements. All accidents occurring on campus should be reported to campus safety immediately.

**Bethel College is committed to assisting all members of the Bethel College community in providing for their own safety and security. The annual security and fire safety compliance document is available by following this link: www.bethelcollege.edu/offices/safety/leaflet.html. If you would like to receive a booklet called “A Safe Campus Experience” which contains this information, you can stop by the Bethel campus safety department or you can call*

574.257.3500 to request that a copy be mailed to you.

The booklet contains information regarding campus security and personal safety including topics such as: crime prevention, fire safety, Bethel campus safety enforcement authority, crime reporting policies, crime statistics, etc.

This information is required by law and is provided by the Bethel campus safety department.

Center for Intercultural Development (CID)

The center for intercultural development assists student, staff and faculty in developing an awareness, understanding and appreciation for the God-designed diversity within people, ethnicities and cultures through a variety of gatherings, events and activities throughout the year. The center for intercultural development also partners with local organizations and churches to offer students opportunities for growth and enlightenment as well as community service and outreach. The office for the center for Intercultural development is located in the student development office. For additional information please call (574) 252-8526 or e-mail CID@BethelCollege.edu.

Faculty/Student Committees

Administrative Committee: The membership of this committee consists of the president as chairperson, vice president for academic services, academic services deans, director of financial aid, director of admission, librarian, director of physical plant, vice president for student development, chief fiscal officer, vice president for institutional advancement, three faculty members elected by the faculty, the student council president by virtue of office and one other student.

The Administrative Committee

1. Recommends financial and other policies of the college.
2. Studies the financial requirements of the college, reviews the budget before presentation to the board of directors and reviews budget adjustments during the fiscal year.
3. Advises administrative and division heads on matters referred to the committee for policy formation or interpretation.
4. Assists in the preparation of recommendations to the board of directors regarding physical and financial expansion of the college.
5. Considers and acts upon miscellaneous business matters not specifically delegated to other committees of the faculty.
6. Considers and acts upon student council budget and fundraising requests.
7. Approves for presentation to the board of directors a proposed calendar for the ensuing year.
8. Serves as the planning committee.

Academic Policy and Curriculum Committee (APCC): APCC will function as the highest decision-making body on campus with regard to the academic programming. It will be composed ex officio of the following:

- VPAS.
- Deans.
- Director of Library Services.
- Chairperson of the student academic services committee.

Then there will be faculty representation from the various schools as follows:

- Schools with 1-20 full-time teaching faculty members will have one representative.
- Schools with 21-40 full-time teaching faculty members will have two representatives.
- Schools with 41 or more full-time teaching faculty members will have three representatives.

In March, deans will meet to determine faculty representation for APCC for the next academic year. All full-time faculty who have completed three years of service at Bethel are eligible to be representatives. Representatives may serve a maximum of three consecutive years. The faculty representatives for the following year will be invited to the last meeting (April) of the current year; at the close of this meeting, the faculty representatives for the following year will nominate a chairperson from among themselves for the upcoming year. The nominated chairperson must be approved by the vice president for academic services. The chairperson will work closely with the vice president for academic services and run the meetings of the APCC.

The route for curricular and policy change will be:

1. Curricular and policy proposals will be developed first within schools, divisions or the academic services office, and follow approval paths appropriate to those entities.
2. Once approved by the school(s) or division(s) affected, the dean(s) along with the proposal advocate will meet with registrar and vice president for academic services. The vice president for academic services then makes one of the following decisions:
 - a. Refer the proposal back to the school or division for further work;
 - b. Approve the proposal and implement; or
 - c. Recommend the proposal to APCC.
3. Each meeting of APCC:
 - a. Decisions of the vice president for academic services are reviewed. These can be overturned by a majority vote.
 - b. Proposals that have been recommended to the committee are considered.
4. All proposals at meeting of APCC which pass with less than a 2/3 majority of the voting members will be referred to the full faculty for action.
5. APCC makes an end-of-year report to the full faculty and to academic services committee of the board of trustees.

Anyone who has faculty status but is not a member of APCC may attend meetings with voice but no vote. The agendas and minutes for APCC meetings will be posted in a folder on the faculty web.

Financial Aid Committee: The membership of this committee consists of the director of financial aid as chairperson, the vice president for academic services, the vice president for business affairs, the vice president for student development, the director of admissions, three faculty members elected by the faculty and one student.

The Financial Aid Committee

1. Reviews and develops financial aid policy.
2. Awards student financial aid from all institutionally-funded and endowment-funded aid programs upon the recommendations of the director of student financial aid.
3. Assists the director of financial aid in preparing the aid budget proposals each year.
4. Recommends students to the coordinator of institutional research.

Institutional Research Committee: The membership of this committee consists of the vice president for academic services, coordinator of institutional research as chairperson, vice president of life calling and student enrichment, two faculty members elected by the faculty and two students.

The Institutional Research Committee

1. Identifies studies needed.
2. Designs, selects or approves all instruments used to gather data.
3. Assigns responsibility to gather data.
4. Interprets data and formulates recommendations.
5. Refers recommendations to appropriate persons or committees.

Library Committee: The membership of this committee consists of the librarian, four faculty members, the vice president for academic services, other professional librarians and one student. The chairperson is elected by the committee.

The Library Committee

1. Coordinates library policy with the academic program.
2. Advises the librarian in the allocation of the divisional book budgets.
3. Aids the librarian in the development of regulations for the use of library materials.
4. Recommends to the faculty ways and means of encouraging greater student and faculty use of the library.

MERT Committee (Multiethnic Resource Team): The membership of this committee consists of the senior vice president for Bethel College, the vice president for academic services, all four coordinators for intercultural development, two staff members, three students and three faculty and at-large members as appointed by the chairperson. The MERT will elect a chair or co-chairs annually.

The Multiethnic Resource Team

1. Gives oversight to a biblical perspective of diversity.
2. Assists the center for intercultural development in creating an educational environment that enhances intercultural competence.
3. Recommends programs and strategies that strengthen the college's commitment to a culturally enriched campus and a Christian worldview.
4. Reports to the president of Bethel College.

Safety Committee: The membership of this committee consists of the physical plant director as chairman, chief financial officer, two faculty members one of whom is from the science division, one staff member, human resources, conference services, campus safety, athletics, food service, auxiliary services, residential life, housekeeping supervisor and two students.

The Safety Committee

1. Helps to provide a safe learning and working environment.
2. Helps to raise awareness and improve the safety concerns of the campus.

Spiritual Life Committee: The membership of this committee consists of the vice president for student development, assistant spiritual life director, representative of the department of religion and philosophy, representative of the department of music, one at large faculty member, student spiritual life director, and a student representative of the Bethel College Missions Fellowship, MuKappa and FCA.

The Spiritual Life Committee

1. Has general oversight of the spiritual life program, coordinating it with academic, co-curricular and public relations events.
2. Recommends policies, programs, special series and speakers for chapel services.
3. Approves visiting speakers for student religious organizations and also approves all public presentations by these organizations.

Student Development Committee: The membership of this committee consists of the vice president for student development as chairperson, director of student life, three faculty members, chairperson of the judiciary committee, two students and two resident directors.

The Student Development Committee

1. Advises the vice president for student development on disciplinary action and other matters referred to the committee.
2. Makes recommendations to the faculty regarding student regulations.
3. Acts on cases of probation, suspension and dismissal that are referred to it by the vice president for student development.
4. Approves programs of student organizations not subject to approval of the spiritual life committee.

Fitness, Exercise and Recreation Facilities

Fitness, exercise and recreation facilities are open to members of the Bethel community at hours determined by the athletic director. All guests must be individually accompanied by a student or a faculty/staff member, with no more than one guest per student. The weight room, basketball, tennis and volleyball courts, and exercise area in Goodman are available to students when athletic teams are not using the facilities. The exercise area in Sailor Residential Center is also open to all Bethel students.

Food Services

All on-campus students are required to participate in a meal plan. Special diets may be accommodated by contacting James Metherd, the general manager. Dietary counsel is available by appointment. We value your input and would encourage your participation at our weekly “chat with the director” sessions. Sharing your opinions and requests with our food service directors will help us shape our dining programs to best suit your needs and desires. ***Every meal plan participant must have their ID card present to eat a meal in any food service facility on campus.***

Acorn

The Acorn is located in the Sailor Residential Center. The Acorn offers students billiard tables, ping pong, student meeting space and a television lounge. Dining options are available to students with or without meal plans:

Monday thru Thursday	10:45 am-12 am
Friday	10:45 am-1 am
Saturday	1 pm-1 am
Sunday	1 pm-12 am

The Café

The Café provides quality sandwiches and salads as well as coffee, cold beverages and a variety of bakery and snack items. Located in the Miller/Moore Academic Center, it's a convenient stop before or after class.

Monday thru Friday	8:45 am-1 pm
Monday thru Thursday	5:30 pm-9 pm

Dining Commons

The Dining Commons houses the cafeteria, student mailboxes, the president's dining room and the Wittenburg Door. The cafeteria is open for meals seven days a week.

The meal schedule is:

Monday thru Thursday:

Breakfast	7 am-9:30 am
Lunch	10:45 am-1:30 pm
Dinner	4:30 pm-7 pm

Friday:

Breakfast	7 am-9:30 am
Lunch	10:45 am-1:30 pm
Dinner	4:30 pm-6:30 pm

Saturday:

Continental Breakfast	9 am-11 am
Brunch	11 am-1:30 pm

Sunday:

Continental Breakfast	9 am-11 am
Lunch	11 am-1:30 pm
Dinner	4:30 pm-6:30 pm

Visit our website at www.BethelCollegedining.com for important information, specials and current menus. Meal vouchers for visiting family members require a 24-hour advance request. Meal vouchers can be used only within the Dining Commons during posted meal periods. Request forms can be obtained in the Dining Commons office.

Sufficient Grounds

Sufficient Grounds, the college's coffeehouse and eatery, is located on McKinley Avenue north of campus. Internet access, concerts and various other programs are available for students, employees and members of the community. Dining options are available for students with or without meal plans:

Monday thru Thursday	7 am-10:30 pm
Friday	7 am-11:30 pm
Saturday	9 am-11:30 pm

Information Items

Traditions and Special Days

24/7 Prayer: A week dedicated to extended campus prayer. All students, staff and faculty are encouraged to participate in intercessory prayer for the cam-

pus, community, nation and world.

Deeper Life Conference: A three-day series that highlights the work of the Holy Spirit in the life of a believer. A guest speaker is invited to share in morning and evening chapel services.

Fall/Spring Plays/Musicals: Each fall and spring Bethel College produces major dramatic works, including a winter musical.

Junior-Senior Banquet: The featured event when junior class honors the graduating seniors. Entertainment and a special speaker are featured.

Labor for your Neighbor: A Saturday morning in spring devoted to serving the college's physical neighbors. Students offer help to residents living adjacent to the college in the morning and then invite them back to campus to fellowship over a lunch cookout.

Martin Luther King, Jr. Day: The life of Dr. King is celebrated in chapel and through participation in service projects and community events.

Midnight Breakfast: Served each semester by the faculty and staff on the Friday before finals and held in the Dining Commons.

Parents' Day: Annual invitation for students' parents to visit campus.

Pilot Week: Pilot Week is a celebration of student life on campus. Each spring, students form teams in their residence halls to compete in the Pilot Olympics, a four-day spectacle with multiple events. The week has its culmination in the Pilot Pageant where student performances and themed videos from elected class representatives provide for an evening fun and memories.

Scripture 66: A designated time when the Bible is read from Genesis to Revelation. Students, staff and faculty are encouraged to stop by any time, day or night, to read or listen to the Word of God.

Service Day: Annual fall day where classes are canceled and the entire student body serves the local community.

Spiritual Emphasis Week: A time of spiritual renewal scheduled during the fall semester. A special speaker is invited to share in morning chapel services and evening meetings during the week.

Tip-Off Madness: A celebration and introduction of the upcoming men's basketball team. A scrimmage is held the night before the first day of practice.

Vespers: A weekly Wednesday evening service planned and directed by students. This service counts as a chapel attendance.

World Christian Action Conference: A week emphasizing God's work and mission around the world. A special speaker shares in morning and evening chapel services, and students attend a wide range of seminars related to God's mission in the world.

Library

The library provides a collection of books, reference materials and periodicals to assist student learning. The library is open at posted hours. The library closes during chapel services, Sundays, legal holidays and the week between Christmas and New Year's Day.

Students must hold valid bar-coded college identification cards in order to exercise library privileges. With this identification card, students have access to several other library collections in the Michiana region. Students with a valid bar-coded ID may check out books at Notre Dame, St. Mary's College, Holy Cross Junior College, IUSB, Goshen College and Indiana Vocational State College (Ivy Tech).

General library materials are loaned for 28 days. Reference materials will circulate for three days. All audio-visual materials will circulate for a three-day period only (with a limit of one renewal). Fines for overdue materials accrue at \$.10 per day per item and are due at the time the material is returned. One overdue notice will be sent two days after the item is due.

When the item is 30 days overdue the following charges will be billed to the student record:

Replacement cost of item	\$45
Processing	\$15
Nonrefundable fee	\$10

If library obligations are not taken care of by the end of the semester, the charges will be sent to student accounts in the business office. All library obligations must be taken care of and cleared before the student can graduate with a degree.

Reserve materials are two-hour closed (library use only), one-day, three-day or one-week loans according to professor instruction. Reserve items are due back at the hour/date indicated. A fine of \$.50 per hour is charged if closed reserve materials are not returned on time. A fine of \$1 per day is charged on all other reserve loan times.

Life Calling and Student Enrichment Center

The life calling and student enrichment center serves students by facilitating academic achievement, individual growth, leadership development, and a personal journey toward a life calling.

The **office of academic support (OAS)** seeks to serve both students and faculty. It facilitates tutoring program/learning labs, monitors probationary students, sets up study sessions and provides special needs consultation and accommodations. The OAS also provides a place for testing, administering make-up tests, as well as tests for those with learning disabilities. In addition, help is available for all Bethel students who want to improve their study, time management and test-taking skills. The OAS can be found in the brown building next to the Academic Center. You may contact us at 574.807.7460 or academicsupport@bethelcollege.edu.

The **office of career services (OCS)** assists students to fulfill their unique calling by discovering their gifts, discerning God's plan and obtaining life skills necessary to conduct all phases of career development. Some of our ser-

vices include resume and cover letter assistance, credential file maintenance and web-based job and internship postings. The OCS also coordinates career counseling for predeclared majors, interview practice and assist with internship searches. Being prepared **BEFORE** God opens a door of opportunity is vastly important, so call today to set up an appointment with one of our trained career development specialists. You may contact us at 574.807.7096 or careerservices@BethelCollege.edu.

The **office of service learning (OSL)** works to help students utilize their talents for the Lord through serving others. The center does this by offering students a way to connect locally, respond nationally and serve globally. An online posting of current community volunteer needs is maintained by the OSL and provides students with opportunities to serve in the local Michiana community. Also, campus-wide service events are offered throughout the year such as service day, Operation Christmas Child and labor for your neighbor. Additionally, disaster or poverty relief trips over spring break and in May, as well as international missions trips during May term are offered through this office. The OSL seeks to engage the Bethel community in kingdom building beyond the campus. You can get involved by contacting the office at 574.257.3367 or servicelearning@BethelCollege.edu.

Wellness Center

A variety of counseling services, wellness programs and health services are offered to students to assist them in developing their fullest physical, intellectual, emotional and spiritual potential. The wellness center is open Monday – Friday during posted hours. Appointments begin at 9 am.

Student Counseling Services: All counseling services with professional counselors are available exclusively to students. A maximum of eight sessions are annually provided per fulltime student at no charge. Low, sliding fees are available to students who are less than fulltime.

Student Health Services: The health services office provides a variety of medical services for students. When a campus student needs medical care, the director of student health services should be notified. Campus safety should be called (ext. 73500) for emergencies. If a physician is needed, the director will refer the student to one, or the student may see a physician of his/her choice. Students must notify their RD to report illnesses/injuries or after-hours medical care.

- Any student who is required to take prescribed medication **MUST** register the medication with the director of student health services.
Sharing Rx meds is cause for dismissal from the residence hall.
- Students with communicable disease symptoms must report to student health services. Those with symptoms and a fever > 100.4 *must isolate from others until fever-free for 24 hours* (w/o the use of fever reducing

meds). Students who will not maintain isolation should go home to prevent the spread of disease.

- No excused absences from class are given through student health services. The student must call the professor to report absence.
- Incomplete immunization records cause a HOLD to be placed on further registrations.
- Health insurance is required of all fulltime students and will be included on semester billings.
- Students having personal policies may opt to waive the college plan only by returning a waiver to the student development office by the published deadline. Those enrolled in student insurance MUST seek approval for healthcare from the director of student health services. In an emergency, call 574.807.7374 at the earliest convenience for consultation. The student insurance plan may not pay without prenotification/approval.

Student Wellness Programming: A variety of resources and speakers are scheduled each year to address a wide range of wellness issues. These programs are announced in advance and without charge to students. The coordinator of wellness programming facilitates these events. Student suggestions are welcomed.

SPIRITUAL LIFE

It has been said, “We are not human beings on a spiritual journey; we are spiritual beings, on a human journey.” At Bethel College, we encourage students to view their “spiritual lives” not as a compartment of life, but as the essence of life. Worship extends from the chapel to the classroom, from the Dining Commons to the athletic field and to the surrounding community.

Chapel

Chapel is often referred to as “the heartbeat of Bethel College.” Chapel services unite the Bethel community for a time of corporate worship through music and teaching. Chapel programs include guest speakers, musical and dramatic groups, extended praise and worship times, faculty testimonies, as well as a variety of series.

Chapel services are held in the Everest-Rohrer Chapel/Fine Arts Center and in the Octorium located in the Middleton Hall of Science every Monday, Wednesday and Friday at 10 am. Student-led Vespers services are held each Wednesday at 9 pm in the Octorium.

During the fall semester a Spiritual Emphasis Week is held, offering services every morning and in the evenings from Monday thru Thursday. The spring semester includes both a World Christian Action Conference (January) and a Deeper Life Conference (April).

Service Day is each fall to provide Bethel students an opportunity to serve in the community. Classes are dismissed for the day and involvement is mandatory.

Attendance at three of these services per week is required. Although chapel attendance is not required of part-time students taking seven hours or less, they are encouraged to attend.

Chapel Attendance/Policies

Students who are required to attend chapel three times a week are allowed six absences per semester. These absences may be for any reason with no questions asked. No additional excused absences will be granted before the allotted absences have been used.

OFF-CAMPUS students carrying 12 semester hours or more are required to attend chapel on the days that they have a class scheduled prior to or immediately following chapel.

OFF-CAMPUS students whose schedules are such that they are required to attend only two services a week are allotted four absences per semester. If the requirement is one service per week, the absence allotment is two per semester.

Attendance Exemptions: When a student has used the allotted number of chapel absences for a semester, requests for excused absences will be granted by student development for illness, family emergencies and events of such serious nature. When possible, these requests should be submitted in writing prior to the chapel service being missed.

Attendance Integrity: On the next-to-the-last allowed absence, all students are notified via email by the student development office as a courtesy to the student.

Upon the *first and second unexcused absence* beyond the allowed number, a resident student will be contacted informally by his/her resident director or resident assistant. Commuter students will be contacted by the assistant director for student development or a member of the chapel committee. In each case, the Chapel Attendance Policy will be clarified, the reason for the unexcused absence(s) will be determined, and if necessary, a method arranged to make up for the unexcused absence(s).

The *third unexcused absence* beyond the allowed number will result in a meeting between the resident student and his/her resident director. Commuter students will be required to meet with the assistant director for student development. In each case, the reason for the additional unexcused absence will be determined and, if necessary, a method arranged to make up for the unexcused absence. The student will be required to enter into a formal contract stating that:

- The chapel committee may require them to apply to the student development committee for readmission for the subsequent semester.
- Further abuse of the chapel attendance policy may result in immediate dismissal.

The *fourth unexcused absence* beyond the allowed number will result in a formal hearing with the chapel committee. At this point, the committee may recommend for immediate dismissal. If a student misses his/her meeting with the chapel committee without a satisfactory reason (e.g. an emergency), the chapel committee has the authority to recommend to the director of student life an immediate suspension from classes until the student meets with the committee.

If a student exceeds his/her allowed number of skips in more than one semester in his/her college career, then the chapel committee may recommend to the student development committee that the student be dismissed from school.

Spiritual Growth

Bible study groups meet frequently at various times and locations on campus. Students are encouraged to be a part of an existing Bible study or to initiate the formation of a new one.

Weekly church attendance is expected of all Bethel students. There are a number of Missionary Churches in the area as well as a variety of other denominations.

Bethel College provides a **spiritual mentoring program** where students can meet one-on-one or in a small group with a peer mentor or faculty or staff member for personal growth and accountability. Students may apply to be mentored in the student development office.

CAMPUS LIFE

Intramural Competition and Intercollegiate Athletics

Bethel College sponsors a well-balanced program of intramural competition and community for men and women. The director of intramurals oversees this program. The objective of intramural competition is to provide an opportunity for physical exercise, skill development, group interaction, recreational experiences and teamwork. Any student desiring to participate should consult the Bethel College Intramural Website or contact the intramural director.

Bethel College is a member of the National Association of Intercollegiate Athletes, the National Christian College Athletic Association and the Mid-Central College Conference. Our present intercollegiate athletic program includes women's volleyball, men's and women's soccer, men's and women's basketball, men's and women's track, men's baseball, women's softball,

men's and women's tennis, men's and women's cross country, men's and women's golf. Intercollegiate athletics are considered to be an integral part of the total education program of the college. To participate, students must be registered for a minimum of 12 hours and must meet all of the eligibility requirements set forth by the college and the NAIA.

Philosophy of Athletics: The philosophy of Bethel College athletics is to produce true winners — a philosophy that will carry an individual through his or her entire life. Our philosophy is devised to draw out the student's greatest physical, mental and spiritual potential. Bethel College is dedicated to exemplifying Jesus Christ through competition in athletics.

We believe that athletics are a means to an end — not an end in themselves, that the process is as important as the performance and that the person (athlete) is more important than the program.

Athletics at Bethel are unique. These experiences prepare Christian men and women for a life of meaningful work and service. The athletic experience provides a dynamic growth process for learning discipline, teamwork, leadership and mutual respect. At Bethel College the athlete is more important to the coaches and the administration than win-loss records and championships. The college's athletic teams frequently engage in Christian ministry opportunities.

Student Clubs and Organizations

An important part of the life of any college campus is the presence of student-led clubs and organizations. The Bethel College student council seeks to help students develop and fund clubs and organizations that meet their specific needs.

Becoming a club or organization comes with the following privileges:

- The ability to hold fundraisers on campus (with StuCo approval),
- The right to request funds from StuCo for nonrecurring expenses,
- Free advertising in the yearly student club brochure, and
- The authority to reserve campus facilities and equipment for club activities.

With these privileges also come the following responsibilities:

- Club-sanctioned activities must conform to the Bethel College lifestyle covenant,
- Club renewal forms must be filed by April 15 for the club to remain in good standing for the following academic year,
- An up-to-date and accurate constitution must be on file with the StuCo executive secretary,
- The club president must make a report of the club's activities and membership to the full student council at the end of each semester,
- The club must make every reasonable attempt to comply with any

request from the full student council (e.g., providing documentation of events/finances, attendance at required workshops, etc.).

Procedure for becoming a recognized student club/organization:

1. Find a group of 10 or more students who are interested in starting a club/organization.
2. Find a faculty or staff member who will serve as the advisor.
3. Draft a constitution that contains at least the following:
 - a. Name and purpose of the club/organization,
 - b. Description of who can be a member,
 - c. Description of how the leadership of the club is organized,
 - d. Description of how the leadership of the club is elected,
 - e. Procedures for calling and running meetings, and
 - f. Procedures for amending the constitution/bylaws.
4. Fill out a club registration form
(www.BethelCollege.edu/StudentLife/Stuco/Forms.php).
5. Submit the club registration form and constitution to the StuCo executive secretary.
6. The charter members of the proposed club will be asked to appear at a full StuCo meeting to be questioned about the club. If approved, the club will immediately receive all privileges and will be accountable for all responsibilities of a student club/organization.

2011 – 2012 Executive Officers (class officers are not elected until the fall.)

- Executive president
- Executive vice president
- Executive secretary
- Executive treasurer

Student Clubs

Accounting Club

- **Description:** The accounting club exists to promote the professional, personal and spiritual development of Bethel College accounting students. The purpose of the accounting club is to introduce students to experiences, employers and mentors who will strengthen student skills in these areas and open their eyes to the potential for ministry in the workplace. Classrooms create competency, but the accounting club creates opportunities.
- **Advisor:** Josh Sauerwein

American Sign Language Club (ASL Club)

- **Description:** The ASL club exists to increase opportunities for ASL students to practice American Sign Language in settings outside the classroom; to host events and trips relevant to students wishing to learn about ASL and the culture which surround it; to encourage fellowship among Deaf, hard of hearing and hearing people. Any student interested

in and with a basic knowledge of ASL skills (knows the manual alphabet and basic introductory phrases) is invited to join.

- **Advisor:** T.B.A.

Hawaiian Fellowship

- **Description:** The Hawaiian fellowship is open to any student with interest in or a desire to learn more about Hawaii. Its purpose is to provide support and guidance for students from Hawaii and to enhance students' knowledge of the culture and difference found in the state of Hawaii.
- **Advisor:** T.B.A.

Ignorant

- **Description:** Ignorant is a student club whose goal is to bring awareness and encourage advocacy for social justice issues. Each week the club screens documentaries about an ongoing conflict in a foreign country, an issue within our own country or a story of hope. Students are invited to use the information gained from documentaries as a starting point for learning how to make a difference in our world.
- **Advisor:** Cristian Mihut

International Student Fellowship

- **Description:** International student fellowship exists to assist international students in their educational experience at Bethel College. In both a collective setting as well as in a one-on-one setting, the International student fellowship advisor assists students with legal documents. The International student fellowship also sponsors social events throughout the year.
- **Advisor:** Lori Gonzalez (Represented on multiethnic resource team)

Kingdom Mobilizers

- **Description:** Kingdom mobilizers exist to increase missions and discipleship awareness and involvement on the Bethel College campus. Anyone interested is encouraged to attend the announced meetings or to contact the advisor directly.
- **Advisor:** Bill Jones (Represented on spiritual life committee)

Mu Kappa

- **Description:** Mu Kappa international (Greek letters for M & K) is a unique ministry organized by missionary kids themselves specifically to address their own needs. "By MKs for MKs: aptly describes its overriding focus. The purpose of Mu Kappa international is to help MKs in their cultural transition; to promote growth, unity and Christian fellowship among charter members; and to help coordinate the efforts of missions and paramission organizations to maximize the potential of over 30,000 MKs. Anyone interested is encouraged to attend announced meetings or to contact the advisor directly.

- **Advisor:** Bill Jones (Represented on student multicultural life committee and spiritual life committee)

Rotaract

- **Description:** Rotaract is the college equivalent of Rotary, one of the largest service club organizations in the world made up of 1.2 million people. Rotary and Rotaract provide individuals of all professions and educational majors a place to grow professionally and serve their communities through various projects and activities. Bethel College's Rotaract club meets twice monthly in a formal setting to 1) hear from a guest speaker, 2) plan volunteer activities and 3) network. Volunteer activities could range from helping provide tutoring in a school, helping clean a park or helping at the local homeless shelter. There really are no limits. Bethel students are also given an opportunity to attend the South Bend Rotary Club to see a bigger picture and network with professionals in our community. Involvement helps expose Bethel student to many opportunities that can be available to them as they enter their professional life.
- **Advisor:** Terry Zeitlow

Students in Free Enterprise (SIFE)

- **Description:** SIFE is a worldwide organization that works with leaders and university students to create positive change in the business and professional world. At Bethel, we desire to create not just positive change, but also real impact for the Kingdom of God. Because of this, Bethel SIFE has the goal of developing leaders who are committed to serving God with their future profession. To accomplish this goal, Bethel SIFE will identify and meet needs in the community to the best of our ability. Through participation in Bethel SIFE, the student will gain real experience in how to serve the Lord through business.
- **Advisor:** Aaron Schavey

Student Government

All full-time students (12 hours or more) of Bethel College are voting members of the Bethel College student association. The governing body of the association is the student council (StuCo).

The purpose of StuCo is to:

- Plan, promote and assist in the supervision of student body activities,
- Build a closer relationship and better understanding between the administration, faculty and student body,
- Advance student and college community interests,
- Provide a liaison between the alumni association and the student body, and
- Support efforts to serve the greater community outside of Bethel College.

There are five different types of student representatives that serve on StuCo:

- **Executive Officers:** There are four elected executive officers (president, vice president, secretary and treasurer) who are elected during the spring semester before the academic year that they will serve (e.g., executive officers for the 2011-2012 school year were elected during spring semester of 2011). The purpose of the executive officers is to provide overall leadership and direction for the rest of the council. Each executive officer receives a \$750 scholarship (this scholarship is exempt from the two-scholarship rule) and a \$1,000 stipend.
- **Underclass Officers:** There are five elected underclass officers (president, vice president, secretary, treasurer, and member-at-large) who are elected two weeks after the start of the all semester (e.g., underclass officers for the 2011-2012 academic year are elected two weeks after the start of the fall 2011 semester). The purpose of the underclass officers is to represent the interests of freshmen and sophomores within the student body. Freshmen are eligible to run for vice president and member-at-large; sophomores are eligible to run for president, secretary and treasurer. Each underclass officer receives a \$250 stipend.
- **Upperclass Officers:** There are five elected upperclass officers (president, vice president, secretary, treasurer and member-at-large) who are elected two weeks after the start of the fall semester (e.g., upperclass officers for the 2011-2012 academic year are elected two weeks after the start of the fall 2011 semester). The purpose of the upperclass officers is to represent the interests of juniors and seniors within the student body. Seniors are eligible to run for any upperclass office; juniors are eligible to run for any office except member-at-large. Each upperclass officer receives a \$250 stipend.
- **Residential Representatives:** There are four residential representatives on student council. These four students (two male; two female) are selected by the student development staff from the current academic year's list of resident assistants. The purpose of the residential representatives is to represent the interests of students according to residence affiliation.
- **Chairs of Established Committees:** There are four established student committees on StuCo: student spiritual life, student social life, student multicultural life and student media. The chair of each of these committees is nominated by the appropriate group/staff member on campus and is approved by the executive officers (e.g., student development nominates the spiritual life and social life committee chairs). Each committee chair serves as a voting member of StuCo.

For additional details concerning the rights and responsibilities of StuCo representatives, see the current student council constitution and by-laws (www.BethelCollege.edu/StudentLife/Stuco/).

COLLEGE POLICIES

Rules and practices of conduct are formulated with the welfare of the student in mind and with a view of promoting the highest of Christian ideals and scholastic attainment.

All students are expected to observe the following policies which are in effect as long as a student is enrolled. This includes residential and nonresidential students.

The vice president for student development and the director of student life are responsible for the administration of regulations regarding student conduct. Residential students are immediately responsible to a resident director. Nonresidential students are urged to seek the advice and counsel of the student development office.

Access, Equity and Diversity

Within the context of its religious principles, heritage and mission, Bethel College admits students of any race, national or ethnic origin, age or gender to its programs and activities. It does not discriminate in the administration of its educational policies, admission policies, scholarship and loan programs, athletic programs or other college-administered programs. The college makes every reasonable attempt to accommodate students with limiting physical impairments; however each school reserves the right to examine applicants for suitability for participation in the educational activities of the school.

A student who believes that his or her rights have been violated by a member of the college faculty, administration, staff or student body may file a formal complaint in writing to the student development committee. A formal hearing will be called and procedures followed as with any other hearing. (See appeals process in disciplinary cases.)

Acts of Dishonesty and Plagiarism

Any act of deceit, falsehood or stealing by unethically copying or using someone else's work in an academic situation is strictly prohibited. A student found guilty of plagiarism or cheating will receive an "F" (zero) for that particular paper, assignment or exam. Should this occur, the professor will have an interview with the student and will submit a written report of the incident to the dean of the school in which the course is housed. If a second offense should occur, the student will be asked to appear before the professor, the academic dean and the vice president for student development. The student should realize that at this point continuation in a course and even his/her academic career may be in jeopardy. In the event of a recommendation for dismissal, the matter shall be referred to the student development committee.

Alcohol, Drug and Weapons

Use or possession of alcohol, narcotics, as well as tobacco products, is strictly forbidden on or off campus. In addition, the possession of firearms or explo-

sives of any kind, including firecrackers, on campus is forbidden. Violators will be subject to a \$50.00 fine. Students who own rifles or shotguns for recreational purposes must place them in the custody of campus safety when brought on campus.

Appropriate Appearance and Attire

Modesty and good taste are expected in student attire at Bethel College. Each student will cooperate with the following policies in regard to dress. Dirty or torn clothing is unacceptable attire for classes and chapel services. Tight, revealing clothing, inclusive of midriff tops, spaghetti straps, short shorts (biker and spandex styles) and revealing skirts are prohibited attire. Footwear must be worn in all buildings excluding residence halls. T-shirts or any other garments with wording/images considered to be in poor taste or advertising tobacco or an alcoholic beverage are not permitted to be worn at any time. Students officially representing the college (athletic teams, music groups, etc.) must follow the stated dress code as determined by each activity leader.

Cell Phones

Cell phones must be turned off and stowed in book bags during class and chapel. Any student using a cell phone in class for any reason (without permission) will be asked to leave the class and an unexcused absence will be recorded. Students using cell phones during exams or graded activities may be cited for cheating (at professor's discretion).

In the case of expected emergencies, students may seek permission from the professor to leave their cell phones on during class, but the phone must remain in the book bag. Professors reserve the right to have operational cell phones in class.

Clery Act

In accordance with the Jeanne Clery Act of 1990 (P.L. 101-542), Bethel College provides information relating to crime statistics and security measures to current students, employees and any prospective student or employee upon request. Daily complaint logs are kept by the campus safety office. Contents for the previous 60 days are available to members of the public and may be viewed at the campus safety office between the hours of 8 am to 5 pm. Older files can be made available within 48 hours. Uniform Crime Reporting (UCR) definitions are available at the campus safety office.

Crime statistics are available on Bethel's website at www.BethelCollege.edu/Offices/Safety.

Inappropriate Behavior

Students must refrain from all forms of hazing, acts of racism and/or conduct which is destructive to other students or that disrupts the normal campus activities. The unauthorized entry of buildings, departments or offices, the unauthorized possession or use of a college key or the willful destruction of college property will result in disciplinary action that may ultimately lead to

dismissal from the college. The ponds were designed for aesthetic purposes and the college is not responsible for any injuries resulting from misuse.

Possession of Firearms and Weapons

The possession of firearms and various weapons are forbidden on campus. Violations of this policy will result in fines and may result in dismissal from the college. Students who own rifles or shotguns for recreational purposes must receive permission in advance from their resident director, and when brought to campus, immediately place them in the custody of campus safety. The following items are forbidden from campus:

1. Handguns in any form.
2. Long guns (rifles, shotguns) not placed in campus safety custody.
3. Knives with a blade length of four or more inches. This includes swords, machetes and similar items.
4. Explosives — All forms of fireworks and incendiary devices, including homemade versions and components of an explosive device.
5. Tazers or any other form of stun gun.
6. Nonlethal weapons, such as air-soft guns and paintball guns.

Students and their parents are expected to know the college's safety policies and procedures, including emergency notification systems.

Self Control

All students must agree to abstain from the use of profane language, personal dishonesty, theft, slander, sexual promiscuity (including adultery, homosexual behavior, premarital sex), abortion, gluttony, intentional harm to self and occult practices. These types of behaviors will result in disciplinary action that may lead to dismissal from the college (see substance abuse policy and student conduct and procedures).

Premarital Sex and Pregnancy

Remaining sexually pure is God's plan for our lives, and this standard for addressing sexual behavior is used in the Community Life Covenant. When this standard is violated by members of the community, the result may be a pregnancy occurring outside of a committed, marital relationship. We strive to extend redemptive grace to any student whose choices have led to these circumstances. The following repentant and responsible actions are expected:

1. Voluntary disclosure to a student development staff member;
2. A vow to abstinence and a commitment to appropriate personal counseling;
3. Voluntary stepping down from any co-curricular activities, including intercollegiate athletics, holding office or any other

- responsible position in college organizations, or in any way representing the college to the public;
4. Commencement of appropriate prenatal care.

Due to the complexity of pregnancy and the importance of appropriate prenatal care and well-being concerns, college housing for the mother-to-be will not be available. Similar housing restrictions may also apply to any student who fathers a child.

Sexual Assault and Harassment

Bethel College students have a right to an academic environment which is free of sexual harassment, sexual assault and sexual violence. Bethel College recognizes these actions to be inconsistent with biblical teaching and illegal under state and federal law. Complaints of sexual harassment, sexual assault and sexual violence shall be made to the vice president for student development and will be promptly investigated. Appropriate action, including disciplinary measures, will be taken when warranted. Copies of the college's sexual assault policy are available at www.BethelCollege.edu/Handbook.

Social Dancing

Social dances are not permitted on campus, nor will affiliated organizations of Bethel College sponsor them off campus. It is the college's conviction that it is possible to provide ample opportunity for healthy social interaction and mature Christian relationships without such activity. Students deciding to participate in social dancing off campus should exercise caution as to their witness and that of Bethel College. Students are not permitted to attend dances where alcohol is served and/or consumed. Acceptable forms of dance include worship, ethnic games and the use of choreography in drama, musical productions and athletic events.

Substance Abuse Policy

The use and misuse of tobacco, intoxicating beverages, nonprescription narcotics and other harmful products have become widespread in our society. Bethel College states its position to serve as a guide for the college community in all matters regarding the use and misuse of these substances. These principles apply equally to all members of the community, college employees as well as students. This statement of the principles serves as a basis for institutional policy, as a guide for individual and group decision-making, and as a community standard of behavior. All Bethel College employees and students are responsible for complying with Indiana state laws. Additionally, being in the presence of alcohol at a night club, bar, party, off-campus house, etc. is prohibited. Note: if a student enters any social gathering and observes alcohol, he/she must turn and leave *immediately*.

Bethel College Standard: Bethel College recognizes the danger to one's physical and psychological well-being in the use of certain products. As a Christian community, the college accepts the biblical teaching that our bodies are the temples of the Holy Spirit. Therefore, all members of the Bethel College community are expected to refrain from the use of tobacco in any form, intoxicating beverages, nonprescription narcotics, all forms of hallucinogenic drugs and other harmful products.

1. Anyone providing these substances for another person shares in the responsibility for that person's behavior.
2. Any violation of the college regulations shall be considered grounds for disciplinary action.
3. Any violation of Indiana state laws regarding alcohol or substance abuse shall be considered grounds for college disciplinary action.
4. Students are not to be employed where alcoholic beverages are the main source of revenue.
5. These regulations apply to all members of the Bethel College community in all circumstances. The college enforces these regulations for students in all activities except for those in their own homes under parental jurisdiction. The college also enforces these regulations in all college-sponsored activities and college-arranged travel.
6. Substance abuse counseling is provided to students through the student development office and the college's wellness center. However, students found to be in violation of the college's substance abuse policy may be assessed all or a portion of costs involved in providing an assessment and education program.

Drug Testing Policy: Bethel College, through the office of student development, reserves the right to require a student to show proof of a drug-free condition, including drug testing, whenever student development officials suspect or have reason to believe that a student might be engaging in drug use on or off campus. Reasonable suspicion for testing is determined by the sole discretion of student development officials. Reasonable grounds for drug testing may include, but are not limited to:

1. Unexplainable incoherent behavior
2. Repeated tardiness and/or absenteeism from class
3. Drug-related odors on person, clothing, and/or equipment
4. Sudden, unexplainable drop in academic performance
5. Possession of drug paraphernalia
6. Previous positive drug screen results

7. Being cited for or convicted of substance abuse violations by college or municipal authorities
8. Observable phenomena, such as direct observation of substance abuse or physical symptoms or manifestations of being impaired due to substance abuse
9. A report of substance abuse or use provided by a source which is determined to be reliable and credible by student development officials

A student who refuses to submit to drug testing or to a required assessment, or who refuses to authorize the release of test results as provided in this policy can be disciplinarily sanctioned up to and including dismissal from the college. A positive drug test may result in disciplinary action including, but not limited to, suspension or dismissal from the college. A professional drug assessment and professional counseling may be required of any student who tests positive for drug use. Any charges incurred for an outside assessment or for counseling will be the responsibility of the student. Testing for drugs will be administered at a local clinic or hospital. Refusal to comply with testing when it is requested will be considered a violation of the college's drug policy. If a student's test results are positive for drug use, the student will be responsible for the expense of the test. If a student's test results are negative for drug use, the college will be responsible for the expense of the test. The college reserves the right to use canine detection services whenever drugs are suspected on college property and are undetected by other means, as well as a deterrent to drug possession or use by students.

Procedures for Handling Violations: Violations of Bethel College regulations by students will be handled through the student development office according to the following procedures:

A person suspected of violating these regulations shall be confronted by a member of the student development staff of the college. If investigation shows that a violation has occurred, the violator shall be advised of the following:

1. The violator shall be placed on probation for a time and to a degree commensurate with the offense, as determined by the vice president for student development and/or director of student life.
2. The violator shall be warned that his/her continuation as a Bethel College student is in serious jeopardy.
3. The violator shall be required to undergo a substance assessment by a college-approved counselor. This assessment shall be the basis for determining participation in a substance education program.

4. Any student who violates the college's substance abuse policy is subject to random drug testing.

A person who violates these regulations a second time shall be confronted by a member of the student development staff of the college and advised of the following:

1. The violator may face dismissal.
2. The violator shall be placed on probation immediately.
3. The violator shall be required to appear before the student development committee to determine whether he/she shall be permitted to continue as a Bethel student. At this point, expulsion from the college is the normal expectation.
4. An appropriate counseling program shall be recommended in an effort to help the student become a more responsible member of society.
5. The violator may be required to participate in community service to the campus.
6. Students who have been disciplined for illegal drug use are subject to drug testing as part of their continued enrollment.

A person who is expelled from Bethel College because of violation of these regulations may not be readmitted at a later date without the express permission of the vice president of student development or the student development committee. In such a case, the following expectations would be in force:

1. The student shall present evidence that a successful counseling program has been completed.
2. The student shall be required to sign an agreement, prepared by student development, regarding his/her commitment to the Bethel College standards of conduct. This agreement might include restrictions that are not placed on other Bethel College students.
3. The student shall be advised that any violation of the Bethel College standard of conduct at this point would make his/her expulsion mandatory.

Drug and Alcohol Abuse Education: The Bethel College alcohol and drug abuse program extends far beyond minimum requirements for such programs. Since Bethel College does not permit the use of alcohol or drugs on or off campus, abuse problems tend to be hidden. For this reason wellness programming strives to reach three distinct outcomes:

1. Training and information which may prevent some students, faculty and staff from abusing drugs and alcohol.
2. Training for the campus community so that they will more readily identify current problems.
3. Increase the level of competency for intervention techniques in a manner that is caring and correct.

The full description of the comprehensive drug and alcohol program is available upon request from the student development office at (574) 257-3530.

STUDENT CONDUCT and PROCEDURES

Discipline at Bethel College is administered by the vice president for student development, director of student life, resident directors and the student development committee. Disciplinary action is undertaken to correct inappropriate behavior and achieve restoration.

Minor violations are usually addressed by the resident directors and their assistants. Serious infractions are dealt with by the vice president for student development, the director of student life and/or the student development committee.

Disciplinary Process

When a charge is brought against a student that could result in his/her dismissal, the following disciplinary process will take place:

A student development officer will meet with the student. As a result of this meeting, a determination will be made by the vice president of student development regarding the need for a hearing with the student development committee. If a hearing is established, the student shall have three days to prepare a defense unless he/she waives this time period. At the hearing the student will have an opportunity to respond to all charges and evidence presented before the student development committee. The student may present evidence, witnesses and information pertinent to the charges. Following the hearing the student development committee will make decisions relative to guilt or innocence and disciplinary action. A student who has been disciplined may appeal by following the procedure outlined in "appeals process for disciplinary cases." If the original disciplinary action has been determined by the student development committee, the student may appeal to the president.

Disciplinary Action

Disciplinary options include fines, restitution, camping, social probation, suspension, campus service, removal from campus (but not classes) and dismissal or voluntary withdrawal.

Fines: Certain offenses (parking violations, overdue books, etc.) carry with them designated fines.

Restitution: When damage has been inflicted upon persons or property, restitution in the form of financial payment and/or written apology may be required.

Campusing: A disciplined student may be restricted to the immediate campus and not be permitted to leave campus without permission from the resident director except for regular employment.

Social Probation: Any student put on social probation cannot represent the college during the designated time of its duration, nor can he/she hold a student-elected office. This is a serious discipline meted out due to one's disregard of established college regulations. It is generally a preliminary step to dismissal and needs to be taken seriously by the student.

Supervisory Probation: A student placed on supervisory probation is accountable to a college-appointed staff member for a designated period of time.

Representing the college or holding a student-elected office may be possible under this condition, but is not necessarily guaranteed.

Suspension: This requires the student's removal from classes and the campus for a predetermined period of time. The specific purpose is to give opportunity to evaluate one's conduct and goals.

Campus Service: A disciplined student may be required to provide service to the college campus within a designated period of time. The number of hours and selected period of time will be determined by the disciplining officer.

Removal from Campus (but not classes): Although a disciplined student may continue to attend classes, he/she may not be seen on campus for any other reason without permission.

Dismissal of Voluntary Withdrawal: The student may be given the option of withdrawing rather than dismissal for serious violations. The option of withdrawal lies solely at the discretion of the vice president for student development. Refunds in the case of dismissal will be made at the discretion of the vice president for student development.

Appeals Process in Disciplinary Cases

Various administrative officers are authorized to discipline a student for just cause within the areas of their responsibility. In each case, the administrative officer informs the student of the charges which are the basis for disciplinary action and the student has the right to present to that officer any relevant information in his/her defense. The charges and the resulting disciplinary action are given in writing as soon as possible, but not later than the second working day after the administrative officer's oral statement.

First Appeal: If the student believes that the disciplinary action is not appropriate, he/she may appeal to the student development committee. Such an appeal must be presented in writing to the chairperson of the student development committee not later than the second working day after receipt of the previous written statement. Implementation of the disciplinary action awaits the appeal process.

Upon receiving the written appeal, the chairperson of the student development committee schedules a committee meeting to hear the appeal; this hearing must occur within three working days of the receipt of the appeal. At least two-thirds of the members of the committee must be present at the hearing.

The review hearing follows this general format:

1. Those present are the student development committee, the administrative officer whose charges and disciplinary action are being appealed and the student who is appealing; this student may bring one fellow student of his/her own choosing as an advisor, but that advisor may not have a formal role in the proceedings. Any other parties may be present only by the committee's express permission, sought and given in advance of the hearing.
2. A written record of the proceedings is kept.
3. If any member of the student development committee is a party in the case (e.g., as disciplining officer, disciplined student or otherwise involved), the chairperson appoints a replacement who occupies that member's position on the committee during the proceedings and until the matter is resolved.
4. The disciplining officer presents the charges against the student.
5. The student has the right to present his/her defense.
6. The disciplining officer and the student each has the right to introduce other persons as witnesses, and each has the right to direct questions to the witnesses presented by either party.
7. After hearing all oral arguments, the student development committee reviews the case in private. All written documents relative to the matter and all oral evidence are considered.
8. The student development committee then renders a decision to sustain, modify, or set aside the charges and/or the disciplinary action. The decision is stated in writing within two working days after the conclusion of the appeal hearings; the written statement is presented to the appealing student and to the disciplining officer.

In situations which pose a threat to the welfare of other students of the institution, the student development committee has the right to suspend the student and to direct his/her complete removal from the campus pending the outcome of all appeal processes.

Second Appeal: If the student or the disciplining officer believes that the action of the student development committee has been inappropriate, appeal may be made to the administrative committee. Such an appeal must be presented in writing within one calendar week of the date of the written statement of the student development committee.

The hearing by the administrative committee follows these procedures:

1. A written record of the appeal hearing is kept.

2. All documents, including the written record of the hearing by the student development committee, are made available to members of the administrative committee and to all involved parties at least two days in advance of the hearing.
3. If any member of the administrative committee is a party in the case (e.g., as disciplining officer, disciplined student, member of the student development committee or otherwise involved), the chairperson appoints a replacement who occupies that member's position on the committee during the proceedings and until the matter is resolved.
4. The hearing is closed to all except members of the administrative committee, the appellant and the chairperson of the student development committee. The appellant may bring legal counsel with him/her, but may do so only upon sufficient advance notice to the chairperson of the committee so that the college attorney may also be present.
5. The hearing allows for oral statements by the appellant and by the chairperson of the student development committee; cross-examination may be conducted by either party or by any member of the administrative committee.
6. Within two days after the conclusion of the hearing, the administrative committee will present its decision in writing either to sustain the decision of the student development committee or to return the matter to the committee for a rehearing in full and fair accord with the college's policies.

Final Appeal: If the student is not satisfied with the decision of the administrative committee or with the decision of the student development committee upon a rehearing, he/she may appeal to the president. Such an appeal must be presented in writing within one calendar week after the committee action being appealed. The president will review all documents relative to the case and make a final decision. The decision must be presented in writing within one week after receipt of the appeal. No oral argumentation or formal hearing is conducted at this stage. The president's written decision effectively closes the matter.

RIGHT TO AMEND

The Student Handbook is not considered a contractual agreement. Bethel College reserves the right to revise and change the policies and statements in this publication. Efforts will be made to inform the college community of such revisions or changes.

OTHER IMPORTANT INFORMATION

While on campus, Bethel students may be photographed via still photography or video. These pictures may be included in college-related materials unless students tell administrators otherwise.

The constitution of the Bethel College student body and by-laws are available at www.BethelCollege.edu/StudentLife/Stuco.

Bethel College's AIDS and sexual assault policies are available at www.BethelCollege.edu/StudentLife/pdfs/Handbook.

RESIDENTIAL LIFE

Mission of Residential Life

Residential life is an important aspect of the Christian academic community that Bethel College seeks to foster. It exists to enhance the learning experience by providing a safe and supportive community that is Christ centered and student focused.

Residential Life Required

It is for educational and developmental reasons that all unmarried, full-time students under the age of 21 and not living with parents are required to live in the college's residential housing and participate in the meal plan, as are most students who receive scholarship assistance from the college. Students under 21 who have lived on campus for four semesters may apply to move off campus before their fifth semester, provided they are not receiving scholarship assistance. Housing preference is given to single students between the ages of 18-24, and to international students receiving scholarships from the college.

RESIDENTIAL LIFE GUIDELINES

Antennas

No antennas, satellite dishes or similar devices may be placed or installed on the exterior of the residential facilities.

Air Conditioners

No air conditioners may be installed in the residential facilities.

Bicycles, Skateboards, Rollerblades

The safe use of bicycles, skateboards and the like is permitted on the campus. These may at no time be used within the residential facilities. Bicycles may not be stored within the residential facilities except as specifically arranged with the resident director. Students are responsible for the security of bicycles which they bring onto the campus. Students shall remove bicycles from the campus at the end of the school year. Bicycles left behind after move-out will be disposed of.

Cable TV

Some of the residential facilities have cable TV connections available. Within those facilities, it is the student's responsibility to contact the cable TV programming provider and arrange for service and to pay for the service that they have purchased from the provider. At no time shall prohibited programming be purchased or viewed on the campus. Any misuse of the cable TV equipment or programming is prohibited. *See also: Movies/Media*

Candles and Incense

The use of candles is prohibited; this includes wickless gel candles and candle warmers. Decorative candles with unburned wicks may be permitted if approved by the resident director. All forms of incense are prohibited.

Check-In and Check-Out

Each student shall fill out a check-in form and turn it in to the resident assistant or resident director directly after moving into the residential facility. Upon leaving the residential facility, whether it be at the end of the school year, or in the case of a withdrawal or in the case of changing rooms, each student must officially check-out with the RA or RD. The official check-out involves the removal of all the student's possessions from the facility, the thorough cleaning of the room and its furnishings, the return of the student's key to campus safety, and the review of the state of the vacated room with the RA or RD, including completion of the check-out form. Prior to the room review, students must schedule the check-out with the RA or RD. Failure to officially check-out of the residential facility will result in forfeiture of the student's dorm damage deposit. The costs of any damage to the residential facilities or college furniture will be charged to the student's dorm damage deposit, with any excess costs applied to the student's school bill.

Changing Rooms

Room changes are typically not allowed during the semester. Upon appeal to the resident director, room changes can be made at semester break provided all parties involved in the change are in agreement and the change has been approved by the RD. The check-out and check-in procedures shall be followed in the event of a room change.

Cleaning and Dorm Checks

Students are responsible for maintaining a reasonable state of cleanliness in their rooms. This includes sweeping regularly, removing trash, keeping any appliances clean, properly disposing expired food products, doing laundry regularly, cleaning bathroom facilities regularly (if applicable) and maintaining general tidiness. With advance notice to the students, the resident director shall perform dorm checks regularly throughout the school year to monitor living conditions within the rooms of the residential facilities. If the condition of a room is found to be unacceptable in any way, the students will be given 24 hours to correct the deficiencies. If upon the second check the deficiencies have not been corrected, the residents of the room shall be fined \$25. This fine shall be assessed against their dorm damage deposit. Upon repeated offenses of the dorm check process, the RD may choose to apply any necessary fines upon the initial check of the room.

Additionally, authorized college personnel may enter a student's room for reasons of health, safety and general welfare, or to make necessary repairs to the room or room equipment. No room will be searched except by approval of the vice president for student development or the director of student life.

"Reasonable cause to believe" (not the protected criminal law standard of "probable cause") is justification for search by college officials. A student who

lives in campus housing waives objection to reasonable searches by college authorities charged with the responsibility of maintaining discipline and order.

Curfew

All students are required to be in residential facilities by 12:30 am Sunday night through Thursday night, and by 2 am on Friday and Saturday nights. Students are expected to remain in the residential facilities until the following morning. If a student is going to be late for curfew, prior arrangement should be made with the resident director or resident assistant. Curfew violations shall be handled by the RD and may include disciplinary action commensurate with the level of the violation. *See also: Overnight Absence/Staying Off Campus.*

Damage and Accountability

Students living in the college's residential facilities are required to pay a \$100 dorm damage deposit. Students are responsible for any damage they cause to the residential facilities or to any college property. The costs for repair of any such damage will be charged to the student's dorm damage deposit. In the event that costs exceed the amount of the dorm damage deposit, the excess will be charged to the student's account. In the case where damage within a room, suite, apartment or house cannot be attributed to an individual occupant, the costs will be equally split between the residents. In the case where damage to common areas within a residential facility cannot be attributed to an individual student or students, the costs will be equally split between the residents of a hall, a floor or the entire facility, as deemed applicable by the resident director. Prior to the beginning of each school year, students who have had charges made to their dorm damage deposit in the previous year shall pay the additional funds necessary to bring their dorm damage deposit back to the full \$100 before they will be permitted to move back into the residential facilities.

Decorating

Students are allowed to decorate their rooms if they so choose. Decorations shall be appropriate to the college's standards and never suggest an "R" rating. Select fasteners that will not damage wall or furniture surfaces, nor leave residue when removed must be used. No items should be hung from exposed pipes or fixtures. Students should consult their resident director if unsure of the appropriateness of their decorations and/or fasteners. Because of the potential fire hazard, live Christmas trees, wreaths, etc., are not permitted.

Early Arrival/Delayed Move-Out

Students are not permitted to move into the residential facilities prior to the posted dates and times, nor stay beyond the posted move-out dates and times. This applies to the beginning and end of the school year, as well as to breaks when the residential facilities are closed. Violations of this policy warrant a fine of \$50 per day.

Electrical Appliances

The use of electrical appliances is limited because of sanitation, safety and circuit overload considerations. Hot plates, “Foreman” grills, griddles, electric frying pans, crock pots, space heaters, halogen lamps, sun lamps or infrared lamps are not permitted in the residential facilities. Microwaves, small refrigerators, coffee makers, hot-air popcorn makers, blenders and fans are permitted, provided they are UL listed appliances. All extension cords shall be heavy duty and UL listed. Appliances not directly plugged into a wall receptacle shall be plugged into a UL listed power strip with overload protection.

Emergency Procedures

Fire drills will be held throughout the school year to ensure that residents will be able to evacuate the facilities quickly and safely. Fire and tornado procedures are posted in the residential facilities. Students who are present at the time are required to participate in fire drills. Failure to responsibly participate will result in a \$50 fine and may result in disciplinary action. *See also: Security/Safety.*

Fire Arms/Weapons/Explosives

The possession of firearms, weapons and explosives on campus is prohibited. Refer to the Student Handbook for details. Nonlethal weapons, such as air-soft guns and paintball guns may not be used on campus or stored in the residential facilities.

Furniture

Each student living in a residential facility is provided with the minimum of a desk, chair, bed and dresser. In the case where closets are not available, a wardrobe is provided. This furniture may not be removed from the room, disassembled or modified in any way by the student, though placement of the furniture within the room may be changed as the student desires. Some of this furniture is designed to be arranged in several configurations and, at the beginning of the school year, the residence life staff or maintenance staff will configure it as closely as possible to the student’s request. Students are not allowed to modify the furniture configuration on their own unless approved by the resident director. *See also: Personal Furniture Agreement.*

Gambling

Gambling in any form is prohibited, including online wagering.

Guests

Students are allowed to have same-gender guests (regardless of age) stay with them in the residential facilities. In consideration of the roommate(s) and other residents of the facility, students are only allowed to have guests a total of three nights in one semester. If a student appeals to the resident director to have a guest beyond the total of three nights in a semester and the appeal is approved, the student shall pay a fee of \$10 per night beyond the original

three. This overnight guest policy also applies to other campus residents staying overnight in rooms other than the one assigned to them. Guests must be registered with the RD or RA. Guests are required to comply with the requirements of the residential life guidelines, and hosts are responsible for the behavior of their guests.

Hallways/Stairwells

The hallways and stairwells of the residential facilities provide emergency egress for the residents and must be kept clear at all times. Students may not place personal possessions or trash in these areas at any time.

Holidays/Breaks

All residential facilities are closed during semester break and spring break. There will be no access to the residential facilities during these breaks. There will be no food service during fall break, Thanksgiving break, semester break, spring break and Easter break, and most campus facilities are closed during these breaks. Students are encouraged to make plans to spend all breaks away from campus. Those who choose to stay on campus during fall, Thanksgiving and Easter breaks must notify the resident director that they will be staying in their rooms. All residential life guidelines remain in effect during breaks.

ID Cards

Each student is issued a college ID card. This card is required to access most of the residential facilities, as well as certain other facilities on the campus. The card is required when utilizing the student's meal plan. Students are responsible for maintaining possession of their ID card at all times. Lost, stolen or damaged ID cards may be replaced in the student development office for a fee of \$10. A card that is defective due to normal wear may be replaced at no charge if brought to the student development office.

Keys

All students are issued keys to their rooms, apartments or houses. Students are responsible for maintaining possession of their keys at all times. In the event of a lost key, the student shall report the loss to the resident director and go to campus safety to get a replacement key. Each key requires the student to pay a deposit of \$25. Deposits are returned to the students when keys are returned to campus safety.

Laundry

Free laundry facilities are available to all campus residents. Students should remove their items from the machines in a timely fashion, clean up detergent /softener spills, clean out lint traps with each use, dispose of dryer sheets and follow posted instructions for machine use and detergent /softener use.

Lounges

A number of the residential facilities have lounges (common areas) which are open to members of the opposite sex as follows:

Shupe Hall:

Daily, from noon to midnight

Founders' Village, Logan Village, The Lodge and perimeter houses:

Monday – Friday, from 6 pm to midnight

Saturday & Sunday, from noon to midnight

Sailor Residence Center (Acorn and Great Room):

Daily, from 6 am until curfew

Perimeter houses and Logan Village apartments must keep window blinds to the common areas fully open when members of the opposite sex are present.

Maintenance Requests

Students shall report any problems with the residential facilities to their resident assistant or resident director. The resident director will file a maintenance request to have the problems corrected. Students should notify the RD if the problems are not corrected within a reasonable amount of time.

Motor Vehicles

Freshmen are not permitted to have vehicles on campus except as specifically approved by student development and registered as necessary. All other students are permitted to have vehicles on campus provided they are properly registered with campus safety. Students are required to follow the college's motor vehicle regulations, published in the student handbook, at all times. It is the student's responsibility to be familiar with the college's detailed parking regulations, which are available at campus safety. Any violation of these regulations may result in a citation being issued. Fines for citations shall be paid in the student development office.

Movies/Media

Possession or viewing of films rated R, X, NC-17 and unrated, and video games rated "mature" or "adults only" is prohibited on campus. The playing of music with offensive lyrics in the presence of others is prohibited. Illegal downloading of any type of media (Netflix, etc.) or possession of such is prohibited. *See also: Cable TV.*

Open Dorms

"Open dorms" is the only time that members of the opposite sex are permitted in the residential facilities, other than in the lounges.

“Open Dorms” hours are as follows:

Men’s residences: Friday & Sunday, 6 pm until midnight
Women’s residences: Saturday & Sunday, 6 pm until midnight

During open dorm hours, all residents of the facility must be modestly clothed while in the facility’s common areas, or in their rooms if the door is open. When members of the opposite sex are present, room doors shall be fully open and the overhead light shall be on. The window blinds to the common areas in the perimeter houses and Logan Village must be fully open when members of the opposite sex are present. Inappropriate activities including making out, overlapping and blanketing are not permitted. Any violation of the “open dorm” policy will result in disciplinary action. Repeated violations of the policy may result in the suspension of “open dorms” for individuals, select rooms/apartments or the entire residential facility for a period of time, as determined by the resident director.

Overnight Absence (Staying Off Campus)

Students must notify their resident director or resident assistant whenever they wish to spend a night off campus, and shall provide an address and phone number where they can be reached. Students are not permitted to stay overnight with a member of the opposite sex except in the case of pre-approved, supervised situations.

Personal Furniture Agreement

Students who bring their own furniture into the residential facilities must complete the “personal furniture agreement” portion of the check-in form with their resident director or resident assistant. Students are responsible for the removal, storage or disposal of any furniture they bring to the campus. If the furniture is left behind, the student is responsible for the disposal costs. *See also: Furniture.*

Pets

Pets are not permitted in the residential facilities, except for small fish.

Phones

The college provides phones in the residential facilities. These phones do not have voice mail. Students may provide their own answering machines if they wish. The college phones also function as a part of the emergency notification system, and therefore must remain plugged in at their original location at all times, with the volume at an easily audible setting.

Quiet Hours

Since study and proper rest are vital factors for success in college, quiet hours have been established as a necessary part of community life. Quiet hours are from 11 pm until 7 am, and from midnight until 8 am on open dorm nights.

Residential Facility Meetings

There will be a meeting for all the residents of each residential facility at the beginning of each school year to review residential facility and college policies, announce upcoming events and answer questions. The resident director may call additional residential facility meetings as necessary during the year. Attendance at these meetings is mandatory unless excused by the resident director.

Security/Safety

For reasons of both security and safety, most of the residential facilities have controlled access entries. Tampering with, disabling or overriding a security, access or safety system — including individual door/room locks — is prohibited and will result in a fine of \$50 and/or disciplinary action.

Students are cautioned not to let strangers into the residential facilities and should call their resident director or campus safety whenever unsure. Students are cautioned to keep their rooms locked at all times when not present; students are encouraged to contact their resident director, resident assistant or campus safety if they notice strangers in the residential facilities. Students should keep records of the serial numbers of their valuables and never leave cash, purses or wallets in plain sight. Campus safety provides an engraving service for students' valuables, and certain valuables may be left with the resident director for safe keeping for limited periods of time.

Storage

Some of the residential facilities have limited storage space which may be used by students if approved by the resident director. Students are responsible for removal of stored possessions at the end of the school year. Anything left behind is subject to disposal, and a fine may be assessed to the student's account. There is limited storage space available over the summer for possessions of International students and students who live more than 400 miles from the campus. Furniture and carpeting may not be stored. The college assumes no responsibility for the possessions of any student while stored in the residential facility.

Sunbathing

Sunbathing is not permitted on the campus. Modest attire is expected of all students when not in the privacy of the Residential facilities.

Water Balloons/Squirt Guns

Water balloons, squirt guns, water fights and snowball fights are not permitted in the residential facilities.

Windows and Screens

Students are not permitted to remove window screens at any time. Entering or exiting a building through a window is prohibited and will result in a fine of \$25 and/or disciplinary action except in the case of an emergency.

2011-2012 Residential Hall Calendar

Fall Semester

Saturday, Aug. 20

Tuesday, Aug. 23

Thursday, Aug. 25

Thursday, Oct. 13

Friday, Oct. 14

Wednesday, Nov. 23

Friday, Nov. 26

Monday, Nov. 28

Friday, Dec. 16

Spring Semester

Tuesday, Jan. 3

Thursday, Jan. 5

Monday, Feb. 28

Friday, Mar. 2

Sunday, Mar. 4

Thursday, Apr. 5

Friday, Apr. 6

Monday, Apr. 9

End of Semester

Friday, Apr. 27

2011

Residential halls open at 9:00 am for new students.

Residential halls open for returning students. First meal served to returning students is Tuesday lunch. Classes begin.

Fall Break. Last meal served is dinner on Wednesday, October 12.

Thanksgiving holiday. Last meal served is dinner on Tuesday, November 22.

First meal served is breakfast.

Christmas vacation. Last meal served Friday evening. Residential halls close on Saturday at noon. **On-campus housing unavailable during Christmas Break.**

2012

Residential halls open at 9:00 am. First meal served is lunch on Tuesday, January 3.

Classes begin.

Spring Break. Last meal served is dinner on Friday, February 25. Residential halls close Saturday at noon. **On-campus housing unavailable during Spring Break.**

Residential halls open at 1:00 pm. First meal served is dinner on Sunday, March 4.

Easter Break. Last meal served is dinner on Wednesday, April 4.

First meal served is breakfast.

Residents and possessions must be out of residential halls by noon on Monday, April 30. The last meal served is brunch on Saturday, April 28. Any person whose possessions are not removed by noon, Monday, April 30, will be assessed at the current weekly rate.
