Name \_\_\_\_\_ ID# \_\_\_\_\_

Current Address \_\_\_\_\_ Phone \_\_\_\_\_

I am requesting summer housing because I am

- taking classes \_\_\_\_\_ ( beginning and ending dates)
- working for the college \_\_\_\_\_ ( beginning and ending dates)  
department/supervisor \_\_\_\_\_
- an international student

Dates for which housing is requested \_\_\_\_\_

The following guidelines have been established for summer housing:

1. **Applications must be returned to the Student Development Office by April 20. Late applications may not be accepted.**
2. Only current students taking summer classes, those working for the college and international students may live on campus. (Housing not available until 5:00 P.M. Friday, May 4)
3. Students must have their current dorm deposit at the full amount. (An additional \$50.00 is required as a cleaning and damage deposit.)
4. The cost is \$50 per week for the summer and will be placed on your bill by the Business Office. Students who leave before the end of the summer **must go through the proper check-out procedure.**
5. There will be weekly room checks. Rooms that do not meet the standards for cleanliness will pay a cleaning fee.
6. Residents must maintain a life style that meets the standards of the college or face dismissal or loss of job.
  - a. Visitation (open dorms) regulations will be from noon to 10 p.m. in common areas.
  - b. Curfew will be at 2:00 a.m. each night.
7. RDs will communicate with residents via email when they will need to move to their fall locations. These moves will happen in late July and early August. Residents will need to coordinate a check out time with an RA. A student who is not returning to on-campus housing in the fall will need to move out by Friday, August 3.
8. Students who live locally (within 45 minutes) and are housed in summer housing will not be permitted to move directly into fall housing. Students must make other arrangements.

I have read and agree to abide by the above guidelines.
